I do not think there is any use in forwarding this letter to Mr. Sitarama Row — I mean in so far as the prompt disposal of messrs Hamam's claim is concerned. This is a simple debt and there is no chance of its being paid until the claims of the secured creditors are paid off. THE RESIDENT MYSORE

BANGALORE.

1st October 1906.

My dear Dewan,

In continuation of Mr. Ross King's D.O. letter No. 7612, dated the 20th December 1905, I am desired by Mr. Fraser to forward, for any necessary action, a copy of a letter dated the 24th September 1906 from Messrs. Carman and Co., Calcutta, regarding their claim against Mr. Basappa Raj Urs of Mysore.

Yours sincerely,

P. Palmer

V.P. Madhava Rao Esquire, C.I.E.,
Dewan of Mysore.

N.N.M.

Letter dated 24th September 1906, to the Hon'ble the Resident in Mysore, from Messrs. Harman & Co., Calcutta.

--O--

On the 8th December last we had the honour to address you with reference to a claim against Mr.Basavappa Raja Urs, Military Bukshi Mysore, and received your reply that our letter had been forwarded on to the Mysore Durbar.

On the 6th February 1906 we received a letter from the Secretary to the Mysore Government informing us that the Trustees to the Estate had reported their inability to effect a settlement in the matter of this gentleman's debts owing to the majority of his creditors not being agreeable to the terms proposed by them. We now respectfully beg to lay before you our grievances, as we consider we have not been treated as we expected to be.

Firstly, that we received a notice dated the 15th January 1904, from the Palace Controller, calling on us to submit our claim, as Trustees to the Estate had been appointed under orders of Government, vide their F.O.L.O.No.1200-2, dated the 16th November 1903 (Enclosure "A")

We never approached the Government for any assistance, and at the time were in communication with our client who promised us instalments from January 1904, and duly forwarded us Rs100/- on the 20th of that month. On receiving this notice, we consequently dropped addressing our client further, and but for this interference we have every right to believe our debt would have been amicably settled ere this.

Secondly, on the 5th May 1904, we received a second notice from the Palace Controller stating that a meeting of creditors was to be held at Mysore and our presence was requested. We replied by return of post expressing our inability to send a representative, and set forth the terms of our private agreement with Mr.Basavappa Raja Urs, sending in support his letter dated the 25th November 1904(Enclosures "B&C")

We were not informed of the result of this meeting, neither were the terms of the Trustees' proposal sent to us for acceptance or otherwise, and we have reasons to believe that even to date we should not have heard of the result, had we not addressed you on

the

the subject in our letter of the 8th December 1904, which called forth the last letter from the Mysore Government dated the 6th February 1906(Enclosure "D")

Thirdly, we take for granted that the decision of Government, as per their letter of the 6th February 1906, was arrived at at the time of the meeting of creditors, if so, how was it that it took them one year and nine months to communicate the result to us ? also, during the time intervening why did the Trustees in their letters dated the 27th September 1904, 4th January 1905, and 20th February 1905, put us off by saying that they were still awaiting the decision of Government when they themselves had already arrived at a decision(Enclosures "E.F.& G")

In conclusion we beg to say that as Mr.Basavappa Raja Urs is in a good position and a member of a respectable Mysore family, there is no disputing the fact that he is well able to pay, and that the Mysore Government, after having helped in making us practically loose our money, should now compel this gentleman to pay us the amount due on a just and honourable debt.

We appeal to you once again to intervene on our behalf, as the loss to us will be rather heavy.

Apologising for troubling you to so great an extent, and assuring you of our deep gratitude.

Dear Mr. Madhava Rao.

I am desired to acknowledge, with thanks, the receipt of your demi-official letter No.336 dated the 26th November 1906, regarding the claim of Messrs.
